SPONSOR

ABOUT 7° AMICORTI IFF 2025

The partner can fit into important and prominent spaces in the Festival area at the Sala Cinema entrance atrium in Turin. The setting up of a dedicated space integrated with the contents of the festival (screening area/concert area/bookshop area) and the services offered at the public (bar and restaurant/relaxation area) represents one of the examples of greatest value from a brand experience and exposure perspective.

To offer a multicultural proposal to a large, varied, loyal and highly aware audience. To be part of one of the leading cultural projects on the national scene, which contributes to restoring the image of a young, dynamic, creative, constantly evolving. To join a cultural project strongly supported by the institutions. Visibility and communication activities will be developed both online and off-line through paper materials of the event and on all social channels (facebook page, instagram, youtube channel, etc.).
